Can Hauler – Jeff Altena

\*\*\*This takes place at Team Realty. This needs to be completed by the 10<sup>th</sup> of each month. We recommend doing the cans on a Tuesday evening so that the bags can be taken to Brommer's the next day. You need to contact your "can hauler" so they know when you are doing cans. The bags will be in the fenced area.

We thank you for your help and making this a great Covenant Education Fundraiser.
