*** If you are a parent of child who falls in the “three year old through PreK” category, you have automatically been put on our Adult Helper list (unless you have already volunteered to be a Promise Lambs Teacher). We feel it is important that our parents are involved in this ministry! If your child is not attending Promise Lambs this year, please let a PL Parent know and we will take you off this schedule. Thanks!**

* If you are unable to teach/help on your scheduled week, please make alternate arrangements AS SOON AS POSSIBLE.

* All lessons and crafts will be provided for you. You will receive an email with the lesson for you to review the week before you teach. If you have any questions, please contact the PL Parent in charge of the week you teach.

* The Promise Lambs Parent will help facilitate a smooth transition between church and Promise Lambs on Sunday morning.
