“Dressing Up Like Jesus: Putting on Humility”
09 - 06 - 09

How does a Snuggie relate to dressing up like Jesus?

Who ‘invented’ the virtue of *humility*? How?

According to Ed Gungor (in *What Bothers Me Most about Christianity*, 135-139) what is the difference between *power* and *influence*?

How does the story of James and John in Mark 10:35-45 demonstrate Jesus’ teaching regarding *anti-power*?

How could all of this explain why Christianity has lost some its influence in American culture?

What is the most *influential* position you could have?

How is humility *not* attained?

What does Jesus’ parable in Luke 18:9-14 teach us about how humility is “put on”?

After reading Philippians 2:1-4, why is the degree of humility in a Christian’s life such a great barometer of their spiritual maturity?

Why could humility be considered the spiritual clothing equivalent of the Snuggie?

**“Christendom is about power;
Christianity is about influence.”**
