

Mark 10:17-31
“Oh, That Money Thing Again”
10 - 14 - 07

What are the two ways that Christians typically talk about money?

1)

2)

How much did Jesus talk about money?

When it comes to money/wealth, what is the one thing we all commonly believe?

What did the rich man *actually* ask Jesus about?

How do we know that this rich man wasn't such a bad guy?

According to first century rabbinic law, what was the maximum someone was allowed to give to the poor?

How was the rich man's question the wrong one in the first place?

Recall last week's message (*Mark 10:13-16*). How are we to receive the Kingdom of God? Why like that?

What's the point of the analogy regarding "God's Big Box O' Blessings"?

So then why does God command us to give?
