

Mark 10:32-45
“Sharing a Drink With the Messiah”
10 - 28 - 07

What is Jesus doing in v. 32 that it does not explicitly say he does anywhere else in Mark? Why is this significant?

What’s one reason why the disciples may have responded to Jesus’ prediction of suffering the way that they did?

How are you and I more like James and John in this passage than we would like to admit?

What was historically significant about James and John’s request in v. 37?

Why does Jesus tell the two brothers that they don’t know what they are asking?

How do we do the same thing in *our* requests before God?

What is Jesus really saying in v. 43 when he says, “Not so with you”?

What is the preeminent value in the Kingdom of God? Why?
(Use your own words)

“The reason why a servant is the most preeminent position in the kingdom of God is that the sole function of a servant is to give, and giving is the essence of God.”
